SOFTWARE LICENSE AGREEMENT

Section 1. License Grant
Initech Inc., a Delaware corporation ("Licensor"), hereby grants to Globex Corp., a Delaware corporation ("Licensee"), a non-exclusive, non-transferable license to use the software product known as FileSync Pro (the "Software") for Licensee's internal business purposes only. The license grants Licensee the right to install the Software on up to fifty (50) computers within Licensee's organization. This license does not permit modification, reverse engineering, decompilation, or sublicensing of the Software.

Section 2. License Fee
In consideration for the license granted herein, Licensee agrees to pay Licensor an initial license fee of eleven thousand dollars ($11,000.00). This fee is due within thirty (30) days of the execution of this Agreement. All fees are non-refundable except as expressly provided in this Agreement. Licensee shall also pay annual maintenance and support fees of three thousand dollars ($3,000.00) annually, due on each anniversary of the Effective Date.

Section 3. Term
This Agreement shall commence on the date of execution ("Effective Date") and shall continue for a period of five (5) years, unless earlier terminated in accordance with Section 4. Upon expiration of the initial five-year term, this Agreement may be renewed upon written agreement of both parties and such terms as they may mutually negotiate.

Section 4. Termination
Either party may terminate this Agreement by providing written notice to the other party at least forty-five (45) days prior to the intended termination date. Upon termination, Licensee shall immediately cease use of the Software and return or destroy all copies in its possession. Any fees paid by Licensee shall be non-refundable except in cases where Licensor materially breaches this Agreement and fails to cure within thirty (30) days of written notice.

Section 5. Intellectual Property
The Software and all intellectual property rights therein remain the exclusive property of Licensor. Licensee acknowledges that it acquires no ownership rights in the Software. All updates, modifications, and enhancements to the Software created by Licensor shall be the sole property of Licensor. Licensee grants Licensor a non-exclusive license to use any feedback or suggestions provided by Licensee regarding the Software improvements.

Section 6. Confidentiality
Licensee agrees to maintain the confidentiality of the Software and any related documentation provided by Licensor. Licensee shall limit access to the Software to employees with a legitimate business need and shall implement reasonable security measures to protect the Software from unauthorized access or disclosure.

Section 7. Limitation of Liability
IN NO EVENT SHALL LICENSOR BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES ARISING FROM THIS AGREEMENT OR LICENSEE'S USE OF THE SOFTWARE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. LICENSOR'S TOTAL LIABILITY UNDER THIS AGREEMENT SHALL NOT EXCEED THE FEES PAID BY LICENSEE IN THE TWELVE MONTHS PRECEDING THE CLAIM.

Section 8. Warranties and Disclaimers
Licensor warrants that the Software will substantially conform to its published specifications. EXCEPT AS EXPRESSLY PROVIDED, LICENSOR DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Licensor does not warrant that the Software will be error-free or uninterrupted.

Section 9. Indemnification
Licensee shall indemnify and hold harmless Licensor from any claims arising from Licensee's unauthorized modification or use of the Software in violation of this Agreement or applicable law.

Section 10. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to its conflict of law principles. Both parties agree to submit to the exclusive jurisdiction of the Delaware Court of Chancery for resolution of any disputes.

Section 11. Entire Agreement

This Agreement constitutes the entire agreement between the parties regarding the Software and supersedes all prior negotiations, understandings, and agreements, whether written or oral.
