SOFTWARE LICENSE AGREEMENT

This Software License Agreement ("Agreement") is entered into as of the date of last signature below ("Effective Date"), by and between Aperture Inc., a corporation organized and existing under the laws of Delaware ("Licensor"), and Bluth Corp., a corporation organized and existing under the laws of Texas ("Licensee").

Section 1. Grant of License
Licensor hereby grants to Licensee a non-exclusive, non-transferable license to use the software known as "Aperture Suite" including all documentation and materials provided by Licensor (collectively, the "Software"), solely for Licensee's internal business purposes. This license does not permit Licensee to sublicense, rent, lease, or transfer the Software to any third party without prior written consent from Licensor.

Section 2. License Restrictions
Licensee shall not: (a) reverse engineer, decompile, disassemble, or otherwise attempt to derive the source code of the Software; (b) modify, adapt, translate, or create derivative works based on the Software; (c) remove or alter any proprietary notices, labels, or marks on the Software; (d) use the Software for any unlawful purpose or in violation of any applicable laws; or (e) use the Software to provide services to third parties for commercial purposes without written authorization.

Section 3. Payment Terms
Licensee shall pay Licensor a one-time license fee of One Hundred Eleven Thousand Dollars ($111,000.00). This fee is due within thirty (30) days of the Effective Date. Payment shall be made via wire transfer to the account designated by Licensor in writing. Licensee shall be responsible for all wire transfer fees and costs. If payment is not received by the due date, Licensor may suspend Licensee's access to the Software until payment is received, plus applicable late fees of 1.5% per month on any outstanding balance.

Section 4. Delivery and Installation
Licensor shall provide the Software to Licensee in executable form via secure download link within five (5) business days of receiving full payment. Licensor shall provide basic installation support via email. Licensee is responsible for all hardware, network infrastructure, and system administration required to operate the Software.

Section 5. Term and Renewal
This Agreement shall have an initial term of one (1) year commencing on the Effective Date and shall expire automatically at the end of such period unless earlier terminated pursuant to Section 6. Neither party shall be obligated to renew this Agreement beyond the initial term. If Licensee wishes to continue using the Software beyond the initial term, the parties may negotiate a renewal agreement in writing.

Section 6. Termination
Either party may terminate this Agreement for convenience by providing the other party with written notice of fifteen (15) days prior to the intended termination date. Licensor may immediately terminate this Agreement if Licensee breaches any material provision and fails to cure such breach within ten (10) days of receiving written notice from Licensor. Upon termination, Licensee shall immediately cease all use of the Software and shall destroy or return all copies of the Software within ten (10) days.

Section 7. Intellectual Property
Licensor retains all right, title, and interest in and to the Software, including all patents, copyrights, trademarks, and trade secrets. Licensee's rights are limited solely to the license granted herein. No transfer of ownership occurs under this Agreement.

Section 8. Limitation of Liability
IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, REGARDLESS OF THE FORM OF ACTION OR THE BASIS OF THE CLAIM, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Section 9. Confidentiality
Each party shall maintain the confidentiality of proprietary information received from the other party and shall use such information only for purposes of performing obligations under this Agreement.

Section 10. Governing Law and Dispute Resolution
This Agreement shall be governed by and construed in accordance with the laws of the State of Texas without regard to its conflict of laws principles. The parties consent to the exclusive jurisdiction of the state and federal courts located in Texas.

Section 11. Entire Agreement
This Agreement constitutes the entire agreement between the parties and supersedes all prior negotiations, representations, and agreements, whether written or oral.
