SOFTWARE LICENSE AGREEMENT

This Software License Agreement ("Agreement") is entered into as of the first date of execution below ("Effective Date") by and between Dunder Inc., a corporation organized and existing under the laws of Delaware ("Licensor"), and Vandelay Corp., a corporation organized and existing under the laws of New York ("Licensee").

Section 1. Grant of License

Licensor hereby grants to Licensee a non-exclusive, non-transferable license to use the software known as the Dunder Management System, including all associated documentation and updates ("Software"), solely for Licensee's internal business operations. This license does not permit sublicensing, modification, reverse engineering, or commercial resale of the Software.

Section 2. Term

This Agreement shall commence on the Effective Date and continue for an initial term of three (3) years ("Initial Term"), unless sooner terminated in accordance with Section 7. Upon expiration of the Initial Term, this Agreement shall automatically renew for successive one-year periods unless either party provides written notice of non-renewal at least thirty (30) days prior to the end of the then-current term.

Section 3. Fees and Payment

Licensee shall pay Licensor an annual license fee of Twelve Thousand Dollars ($12,000.00), due annually in advance on the Effective Date and each anniversary thereof. Payment shall be made by wire transfer to the account designated by Licensor. Invoices are due within thirty (30) days of receipt. Licensee shall pay all applicable taxes, except for taxes based on Licensor's net income.

Section 4. Delivery and Support

Licensor shall provide Licensee with download access to the Software within five (5) business days of the Effective Date. Licensor shall provide standard technical support during normal business hours, Monday through Friday, excluding holidays. Support includes bug fixes and access to routine updates released during the term.

Section 5. Restrictions and Ownership

Licensee acknowledges that the Software and all intellectual property rights therein remain the exclusive property of Licensor. Licensee shall not disassemble, decompile, or attempt to derive the source code of the Software. Licensee shall not use the Software in any manner that violates applicable law or infringes third-party rights. Licensee shall implement reasonable security measures to prevent unauthorized use or disclosure.

Section 6. Limitation of Liability

Except for breaches of confidentiality or infringement of intellectual property rights, neither party shall be liable for indirect, incidental, consequential, or punitive damages. Licensor's total liability under this Agreement shall not exceed the fees paid by Licensee in the twelve (12) months preceding the claim. The Software is provided "as is" without warranty of any kind, express or implied, including warranties of merchantability or fitness for a particular purpose.

Section 7. Termination

Either party may terminate this Agreement upon written notice if the other party materially breaches any provision and fails to cure such breach within thirty (30) days of receiving written notice. Upon termination for any reason, Licensee shall immediately cease all use of the Software and return or destroy all copies. Licensor shall refund any prepaid fees for the unused portion of the then-current term, provided Licensee is not in breach.

Section 8. Confidentiality

Each party shall maintain the confidentiality of the other party's proprietary information and use such information only for purposes of performing its obligations hereunder. Confidentiality obligations shall survive for two (2) years following termination of this Agreement.

Section 9. Governing Law and Dispute Resolution

This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to its conflict of law principles. Any dispute arising from this Agreement shall be subject to the exclusive jurisdiction of the state and federal courts located in Cook County, Illinois.

Section 10. Entire Agreement

This Agreement constitutes the entire agreement between the parties and supersedes all prior negotiations and agreements. Any amendments must be made in writing and signed by authorized representatives of both parties.
