MASTER SERVICES AGREEMENT

This Master Services Agreement ("Agreement") is entered into as of January 1, 2024, between Soylent Inc., a Delaware corporation ("Provider"), and Globex Corp., a Delaware corporation ("Client").

Section 1. Services
Provider agrees to provide Client with comprehensive nutritional product distribution and supply chain management services as further detailed in individual Statement of Work documents ("SOWs"). Each SOW shall describe specific services, deliverables, timelines, and any additional terms specific to that engagement. All SOWs shall be incorporated by reference into this Agreement.

Section 2. Term
This Agreement shall commence on January 1, 2024, and continue for a period of five (5) years, unless earlier terminated in accordance with Section 5. Upon expiration, this Agreement shall automatically renew for successive one-year periods unless either party provides written notice of non-renewal at least sixty (60) days prior to the end of the then-current term.

Section 3. Compensation and Payment Terms
Client shall pay Provider an annual fee of forty-one thousand dollars ($41,000.00) for services rendered under this Agreement. This fee shall be invoiced annually in advance on January 1st of each contract year. Payment shall be due within thirty (30) days of invoice date. Invoices unpaid after forty-five (45) days shall accrue interest at the rate of one and one-half percent (1.5%) per month or the maximum rate permitted by law, whichever is less. Any SOW may specify additional fees for services beyond the scope of the base annual fee, which shall be invoiced separately according to the terms specified in the applicable SOW.

Section 4. Expenses
Client shall reimburse Provider for all reasonable out-of-pocket expenses incurred in performing services under this Agreement, including but not limited to travel, shipping, and materials. Provider shall submit expense reports monthly with supporting documentation. Expenses exceeding five hundred dollars ($500.00) require Client's prior written approval.

Section 5. Termination
Either party may terminate this Agreement for convenience by providing the other party with written notice at least sixty (60) days in advance. Upon such notice, the terminating party shall remain obligated to pay for all services rendered and expenses incurred through the termination date. Either party may terminate this Agreement immediately upon written notice if the other party materially breaches this Agreement and fails to cure such breach within fifteen (15) days of receiving written notice describing the breach in reasonable detail.

Section 6. Confidentiality
Both parties agree to maintain the confidentiality of all proprietary information disclosed by the other party, including but not limited to business plans, client lists, pricing information, and technical data. This obligation shall survive termination of this Agreement for a period of three (3) years.

Section 7. Intellectual Property
All work product, documents, and materials created by Provider in the performance of services shall be owned by Client upon full payment of applicable fees. Provider retains all rights to pre-existing intellectual property and general methodologies developed prior to or independent of this engagement.

Section 8. Limitation of Liability
Neither party shall be liable to the other for indirect, incidental, consequential, or punitive damages arising from this Agreement. Each party's total liability under this Agreement shall not exceed the total fees paid or payable in the twelve (12) months preceding the claim.

Section 9. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to conflicts of law principles.

Section 10. General Provisions

This Agreement constitutes the entire agreement between the parties and supersedes all prior negotiations and agreements. Modifications must be in writing and signed by both parties. If any provision is found invalid, remaining provisions shall continue in full effect.
